

## **Position Opening Challis, Idaho**

### **Communications Technician/Installer/Repairman**

Looking to enhance your technical skills while being a critical member of a great team? If so, read on...

Custer Telephone Cooperative has been connecting customers with the latest communications technology since 1955. Located in the heart of Central Idaho, next to the Frank Church Wilderness Area, Custer Telephone Cooperative offers telephone, wireless, broadband internet access, networking, and many other services in Custer and Lemhi Counties.

We are in search of a team-oriented, dynamic, customer-focused technician. You don't need to be an expert in the telephone business. However, applicants with strong computer skills, a positive attitude, and a self-starting work ethic will have an advantage. This is not a position where you may be relegated to one facet of technology or repetitive tasks. Instead, you will be instrumental and have the chance to work in many technical areas.

Here's how you will contribute:

- By providing installation, repair, and maintenance of a variety of network and communications equipment and systems including; aerial and buried copper and fiber optic, fixed wireless, cellular, and CATV.
- By using a variety of test and locating equipment to isolate, identify, and analyze equipment trouble and take appropriate maintenance action which may include climbing towers or poles, using a bucket truck, or a backhoe, following all safety standards.
- By utilizing your technical expertise and savvy to explain technical issues to customers providing solutions for their service needs
- By embracing the ability to work independently.

If a challenging technical position with customer contact excites you and you have experience with similar technologies, combined with a passion for learning, we need to talk! Custer Telephone Offers Competitive Wage and Benefits, a stable team-oriented work environment, and the chance to accomplish highly technical task in the heart of one of the most beautiful places in the country.

Starting wage is based on experience. On-the-job training will be provided. Submit resume and/or application letter to either address below:
